

This document outlines tools available for all cPass[®] operational assessments.

Tools available for cPass	
Highlight	Students can select text on the screen to highlight.
Eraser	Removes both highlights and striker marks from the screen.
Notes	Allows students to write notes on a small yellow rectangle on-screen.
Whole Screen Magnification	Students can enlarge all content on the screen.
Strikethrough	Allows students to place a line through an answer choice that is not desired. This only works on multiple-choice (single-select and multiple-select) items types.
Reference Sheet	Provides supplemental information (basic formulas, etc.) to the student when appropriate. This tool is only available on the General CTE Assessment.
Calculator	Completes simple arithmetic operations when directed by the student. This tool is not available on the General CTE assessment.

If you have any questions about any of these procedures, please contact the cPass Team at (785) 864-6391 or cPass@ku.edu. Any technical issues experienced with Kite Student Portal should be directed to the Kite Service Desk at (855) 277-9755.
